From

Inspector General of Education in Mysore,

To

SIR,

I have the honour to state that at the request of Rev W J Lawrence of the London Mission, sanction of Government was obtained to withdraw the Grant-in-aid of the Mission A V school at Anekal and open English classes in the Government Kannada school at that station A monthly provision of Rs 50 was also sanctioned in the Budget for the current year, to meet the additional charge The withdrawal of the grant

and the establishment of English Classes in Connection with the Govern ment Kannada school, were sanc tioned in Government-order No 2122-3 Ed 83 dated the 11th August 96. On Commun cation of the order to the Secretary to the London Mission, I was in formed that the action taken by Rev. J W Lawrence was "entirely without the approval" of the London Mission Society, and that it was not the intention of the representa -tives of the Mission to hand over the school to Government No English classes have in consequence been opened in the Government Kannada school Nor has the grant been discontinued The Comptroller in his docket No 45-06 dated 27th ultimo says that as the grant was once withdrawn

by Government to continuance
needs the sanction of Government
I request that Government
may be pleased under the circum
stances stated to sanction the
continuance of the present monthly
grant of Rs 35 to the School

The grant was by mistake
stated to be Rs 30 in the list of
new schools submitted to Govern
ment with the Budget I request
that the error may be rectified

I have the honor to be

I Effect not having as yet been given to the orders contained in Pro No 2122-3 Ed 83 dated 11th Aug 96 so far as regards the A V School at Anekal it is submitted that sanction may be accorded to the continuance of the Grant of Rs 35/- p m to the Mission

II It is to be regretted that the intentions of the Mission were not properly ascertained before Govt was moved in the matter

At the same time it will seem necessary to make some arrangement to provide for English Education for which there must be some need in a station like Anekal
